I was a friend and classmate of Jane's here in Morehead City. So many in our graduating class at MCHS we shocked to learn of her passing and just before our annual all-classes high school reunion. And though I had not seen her in years, I still remember all those great times growing up together. I send my condolences to all her family and friends and most especially her sister and daughter. God be with you all!

Claudine, Very saddened to learn of your Mother's passing. As you know, she and I grew up together summers in MHC as babyhood buddies. I feel blessed to have had such a dear friend over these many years. She was so proud of you and all that you have achieved. A Chinese proverb states - "One generation plants the trees, the next enjoys the shade" Through her generous heart, she planted many trees and left much shade for all of us to enjoy and remember her fondly.

Love and hugs go your way. Jane and I grew basically "across the street" from each other with spend-the-nights, playing on the shore, St. Andrew's Junior Choir including playing the organ!, and on to St. Mary's and Carolina. To you and Cecile - remember the good times.

To Jane's Family: Jane and I were classmates here in Morehead City throughout elementary, jr. high, and high school. We lived about 3 blocks from each other on Shepard St. We remained close while she was at St. Mary's and UNC-CH and I was at NC State. I have not seen her or had contact with her since she came home to visit Cecile a number of years ago. I was shocked to hear the sad news at our recent MC High reunion. She was a tremendous person with a wonderful heart and spirit and a valued friend. The cherished memories I have of her will remain with me always. I am truly sorry for your loss. I grieve with you. Deepest thoughts of sympathy. She was a beautiful person. Caring and loving. I worked with Jane when she was employed at Merck in Summit, NJ. We were both laid off at the same time. She was a very pleasant woman to work with. She will be missed dearly.

I've never known another mother so in love with her child. She was head-over-heels with you from birth and every time I ever saw or knew about, completely and totally devoted to helping you grow into the adult you have become. That alone would have given her peace at the end. God will hold her close in death as she blessed her in life.

Claudine, I am stunned and greatly saddened by the passing of your mother. I was a close childhood friend and honored to be the maid of honor at her wedding. I spoke with her not too long ago, and she was thrilled at the prospect of becoming a grandmother. She was always bursting with pride when she spoke of you. You were very fortunate to have such a warm, lovely, intelligent mother. I send you my deepest condolences...and hope at some point we can connect. Nikki Galantis
