To my friend ever since grade school, Although we didn't see other sometimes for years, each time we did see each other, it was as if no time had passed. I'm just one of so many people that will sorely miss you. Keep a watch over us. Love to the family, Terry Dargevics

I just recently heard about Leo's passing. I am a friend from way a long time ago. Leo and I were in grade school together, high school and some college. We really enjoyed each others humor and always were laughing about one thing or the other. I knew he was quite smart but never made me feel inferior and always encouraged me. We had some really great times in grade school at St Barnabas that I cherish to this day. Although we totally lost touch over the years, Leo truly was a part of who I am today. My prayers go out to his family and friends...

Uncle Joe, Karen, Jolene, Susie, Jackie and Jenny, My deepest sympathy to you all at this time. I have so many wonderful memories of Leo, growing up. Apple fights, croquet games and so much more. He always kept me laughing, we used to get in trouble at the dinner table with Uncle Joe. I will always remember Leo's laugh! Love you all, Your cousin, Connie!

Though it has only been three weeks since we lost the most gregarious member of the Medisch family, it is still hard to come to terms with never seeing Leo again or hearing his raucous laugh over a good joke. We so admired this talented soul Not only could he turn out five star meals, but he was a force to be reckoned with when we would play Jeopardy Though his life was all too short, he packed as much living into it as was possible. Enjoy all your loved ones that have gone before you Leo and be at the gates when the rest of us arrive so we can share a welcome home meal and a good laugh. Missing you, Cousin Nancy & Jim

Leo was and always will be a lovely light which will continue to shimmer in the hearts of those who were lucky enough to get to know him. What little time I shared with Leo over the years will be big on memories. To me, he was always smiling, extremely kind and very funny. Thank you also, Leo, for the gifts you gave to the foodies in your community. You worked hard and blazed a trail of culinary excellence. You will be missed but always remembered at the feasting table of life with goblets full of love!

Leo, an open heart Always full of love Always welcoming a chat. Deep insightful, he had a full life of experiences and travels not many would usually have. His presence flowed lightly and lovingly around those who knew him. I pray that continues. ....for those of us whom lives he touched are richer (enriched) from this gentle, beautiful soul, brother in love. Leo, if I had spent every day with you, it would never be enough..your wait to be with Tom, now fulfilled. I know there were fireworks in heaven when you arrived. You will be sorely missed, yet we are blessed, blessed to have met with you if only for moments.Your spirit so passionate Much to marvelous for words, what a wonderful, dear man.
