I treasure my years of friendship with Doris, playing bridge and being good friends. We all miss her so much, but I can just see her playing a good game of bridge in Heaven. She will never be forgotten by any of her bridge "girls".

my deepest sympathy to the family. It's really hard to lose a mother. So sad. The memories will always be there though. Your mom was a long time, good friend to my mom. When my mom's memory started slipping, your mom kept her straight. Their monthly luncheons were special. And your mom was always so kind to me. My thoughts are with you all.
