My condolences to the family. Just as you, I am suffering at the loss of a great friend. We shared many wonderful memories, but due to personal problems, an invalid husband & my own declining health, I lost contact with Margaret. May God grant her peace!

Margaret, I've called several times to speak to you but wasn't able to do so. Now I guess that I'm the only Harkins remaining. You were always good to be around and I have fond memories of you and your family. Your daughter Margaret Ann was always with your mother when she came to visit mom & pop. Sorry we couldn't have gotten together just one more time. Sorry gal. You'll be missed. Love, William & Marie Harkins
