I am so saddened by Elaine's passing. I met her under other sad circumstances - the funeral of our friend Gary Rhoney. We had continued to stay in touch on Facebook. I will miss her kind words and her reminders to be thankful everyday for what we have. Heaven has truly gained an Angel. My deepest condolences to Bob and to her children and grandchildren.

Thinking of you and your loss of Elaine. We are so sorry, we had no idea that she was sick. I know she is with Allen in the after life. I know there are no words of comfort, except to say we are praying for you in this difficult time. She will live within our hearts forever. Much love to you, Kathie, Laurie and the rest of the family.

Elaine was a neighbor and classmate all through school. She was a great friend and someone you could always talk to. We had many a talk walking back and forth from LaSalle Jr. My deepest sympathies to her family, she was taken much too young.

One never knows "The day they will be called back to the Lord" but my hope is that everyone in her family can take a small amount of comfort in knowing that all of the children she taught and mentored carry a little "Aunt Elaine" in all of them. This is what will make the world a better place. With deepest sympathy, The Glavin Family

Mrs. Muhlbauer was one of the kindest and most generous people I have ever known. Her love for me helped me more than she ever knew. The world is a poorer place for her passing. Love to the family, you are in my heart always.

I extend my deepest sympathy to Elaine's family. Elaine was a classmate of mine at LaSalle Sr. High School, and we caught up with each other again after our high school reunion in Denver. She talked so much about her family; she was a sweet soul and I'm sure she was a great wife and mom. May you all be blessed with wonderful memories of her.
