Just heard about Aggie's death. She was such a fun lady to be around. (I knew her when she was working at Frankford Hospital with my Dad - Dr. G. Herbert Moffses). There are special people in our lives who never leave us even after they are gone. Aggie is one of them!

I am so sorry to hear of your Mom's passing. I kept contact with her through letters & cards over the years. Your parents meant alot to me, so did you guys. Your Mom helped me many times with the turmoil at 933 Carver. She meant alot to me, more than you could ever know. She said & did many things for me that my own Mom didnt do. I will truly miss her. God Bless your Mom & Dad with a peaceful eternity together in Heaven. I often think of you guys, Butch, Bruce & Bobby. Sometimes you talked to me like big brothers. I will carry all of you in my heart forever. I truly am sorry I was not able to make it to the funeral. Be strong & count your blessings. Love you!!

Aggie was a very loving and caring sister-in-law to me. She, Jimmie, Gene and I shared many happy times together. She never missed a birthday and I was so touched to receive the birthday note she wrote to me during her last few days. She will always be dear to my heart and with much fondness I extend my sincerest sympathy to all the family.

I am sorry to learn there was a death in your family. The loss of a loved one is very painful. I'd like to share scripture that may bring comfort to your family. Mark 5:35-43 reads in part...While Jesus was speaking, he overheard men telling an officer of the synagogue that his daughter died. Upon hearing this, Jesus, Peter, James and John, the brother of James, went alone to the officer's home. When they arrived, Jesus went to the child and told her to get up. Immediately, she got up. You see, Jehovah promises a resurrection of our loved ones. (Acts 24:15) We must have faith in this promise. We can also strenghten our faith by reading Isaiah 55:11 and Isaiah 25:8.
