I am sorry for the loss of your loved one. Anna, could be my moms twin. Her name was Beatrice Roberts. She was related to Hefner's. She married Al Hennessey. When I saw Anna's photo, in the paper...I couldn't believe the resemblance. My Mom was 76, when she passed. I don't mean to create a problem...I just cannot get over how much, they look alike. My condolences, to your family.
