Jacki,Tak,Rhen,& Drew,I am crying for what I did not do. Stop and visit with you more often, Tony. Share with you how much I valued our walks. Chris and I watched you rear 3 fine young men and cherish your wife. Never witnessed anger always with a smile. Enjoyed your laughing and interactions with Billy. We were one of the luck ones to have know one of the "good guys" on this earth. Peace be with you.

Jacki: I was so sorry to read about Tony's death. I had heard that he was sick but honestly didn't know it was so bad. My thoughts go back to our much younger days when our families visited regularly. Tony gave me my first horseriding experience when he lived in Lewes, and than back to Georgetown when he had Beauty. Our growing up was so much fun. Than the summer he met you at Rehoboth Beach! I am thinking of you and your loss. Know your boys and families will be so much support and strength for you.

I'm deeply sadden by Tonys passing. We can't know why some things happen.....but we can know that love and beautiful memories outlast the pain of grief, those we cherish will always live on in memory. Tony sat in front of me in Mrs. Sylvesters English class and I always had to keep poking him to keep him awake. He was a standout classmate who will never be forgotten.
