What can I say about one of the most precious friends I have had almost all my life? She was a Christian sister that loved the Lord, her husband and family, and her friends. She set an example for me and I am grateful for that example that showed me how to live for Christ. Polly is now walking and talking with Jesus, her son Steve and many others in her family that have gone on to be with the Lord. My heart aches because I am missing her so much, but because of what she showed me and told me, I will see her again one day. I loved you while you were here Polly Wolly Doodle all the Day, and I love you from afar. I'll be seeing you again my Sister in Christ.

Dear Dave, Terri, Joel & I were so heartbroken to hear about Polly. We have loved and appreciated both of you so much over the years. You and all of your family are in our hearts and prayers. I'm so sad that I won't be able to be there to grieve with you, as I will be conducting a funeral here in Whitmell at the same time. But I am thankful that Terri can be there for all of you at this time. I can't begin to imagine how much you will miss her, but we rejoice that she is enjoying her reward from the Lord. Hope to see you when we get up for Christmas.Tim Oakes
