To The Family, Please accept my condolence. I hope that you are able to draw comfort from the scriptures during this difficult time. Let me tell you my favorite text. Job said: "If an able-bodied man dies can he live again ?" You will call, and I myself shall answer you. For the work of your hands you will have a yearning." (Job 14:14, 15). Again, you have my deepest sympathy.

So sorry, Becky! You left us way too soon. I will miss our talks and kidding around. Glad we got to spend so much time at the beach and water park with the kids this summer! I'll miss the times we got to spend together while the kids were in VBS. I'll keep an eye on Zoey for you and I won't let her forget you (not that she ever would or could!). Thank you for keeping life interesting! See you again one day. Rest in peace.
