I am so very sad to learn of Faye's passing. I had promised to make her a Key Lime pie after my family reunion. She was one of the most caring and kind human being I have ever met. She cared for my Mother at Beebe for many years and my family grew to know and love her. I know she is in Heaven with my Mom right now and they are both at peace in the comfort of God's love. I will miss you Faye...and I loved you. Debi

Never a lady will take her place, that sweet, loving woman who put smiles on my face. She was my mother, at least in my heart. I will miss her for now, while we are apart. I can only hope to see her again someday! Sleep peacefully dear Mom...I will always love you and be there with you someday! Love, Tammy Belote-Chorman
