How do you do? I am the sister-in-law of Dave Ruscansky. I am very sorry about this news and I wish my sincerest condolences to your family. I share this only in an effort to bring a smile to your heart. We Wiggins girls never really had the opportunity to enjoy a grandmother as both of our grandmothers pass long before we can remember. May you enjoy the wonderful and fun memories in your heart from Grandma Elizabeth; how wonderful to have had so many years together. That smile alone, says it all!! My prayers and thoughts are with you all and if there is anything you need, please do not hesitate to let me know. Love, Sue
