i believe met my second cousin, david in 1976 when my twin and i were visiting mom and eddie in ocean pines, maryland. he was very friendly and had a sense of humor. it must be so difficult to lose a child, even as an adult. may you all find peace in this cruel fact, and enjoy the memories of david.

To my dear friend Kathleen and all of your family, Jeff and I were heartbroken to hear this sad news. We are so sorry for your loss. I didn't know Dave well, but I did come to your house once when he cooked up some crabs - Mmm! I also remember babysitting for Skyler and Emma. Dave always arrived with a smile on his face and took the time to chat with me before kissing Skyler goodbye and heading off to work. I hope that the fond memories you have of Dave will bring you comfort during this difficult time. Please accept our sympathies and know that you are in our prayers. Natalie & Jeff
