Patty & Family, You were blessed with many Good years with Aunt Lola. She now can be with her beloved Charles (Uncle Cubby) along with her mother father & brothers & Sisters. Seeing her last year at Dick Jr's she looked like so much how Daddy looked when I last saw him. I cherish the times we spent as family at Aunt Lola's, back yard, I had my 1st McDonalds with Uncle Chubby after church one Sunday. Love & Prayes with all of you.

Godmothers have no wands or wings, so they work with wisdom, love and things. Having taken on this role, You loved me right down to my soul. You offered kindness and greetings with a hug and kiss. Each freely out of love which I will miss. I chose a twinkling star at night, to say a prayer for you to its light so bright. You're in God's Heavens now and no longer in pain. In my thoughts you will always remain. How lucky I was. How blessed I have been. You were my Godmother and all my love I send.

Aunt Lola was an "institution" within the family and handled her passing with the same dignity and independent spirit with which she lived her life! May she rest in peace, Love, Susan & David

My deepest sympathy goes out to your whole family. I know what loss like this feels like now. If you need anything please let us know. You guys are family. She was a wonderful woman and will be greatly missed. Rejoice in the fact that her pain and suffering is over and she's watching down on you. She is your newest guardian angel. She will always be with you in spirit. We all love all of you.
