Gramma was a very special lady. She loved her grandkids and great grand kids. She wasn't my blood Gramma but she was still Gramma. I have several beautiful afgans to remind me of her and her talent. She loved to crochet and work on cross word puzzles. She always asked how my family was doing. Her mind was as steel trap and she never forgot what was happening in our lives. I will miss her dearly. Thank you Gramma for letting me be a part of your family.
