Robert Lee Humes

MAR 26, 1943 - NOV 27, 2011

Robert “Bob” Lee Humes, age 68, of Lewes, DE, passed away on Sunday, November 27, 2011 at Peninsula Regional Medical Center, Salisbury, MD. A native Pennsylvanian, he was born in Philadelphia on March 26, 1943, son of the late Lee and Helen Humes.

He was a graduate of Frankford High School. Bob attended Pennsylvania State University where he received a degree in Labor Management Relations. He went on to complete graduate studies at Bucknell University where he received a Master’s of Science in Business Administration. Following college he served in the US Army Adjutants General Corps as a 1st Lt. from January 1967 to May 1969.

Bob spent his professional career at IBM from 1969 - 2003 and was the recipient of numerous recognitions including the President's Award. In 2003, he opted for semi-retirement and relocated to Lewes, Delaware, so he could spend time with his wife close to the ocean. In his eight years in Lewes, he became deeply involved in the community and dedicated his tireless energy and love of history to volunteer at the Lewes Historical Society and the Lightship Overfalls Foundation. He was a valued member of the Lewes Yacht Club where he spent summers with his family.

Bob was also a talented musician who enjoyed playing the piano, singing, and writing lyrics to songs. He was also an athlete and coach to his sons in baseball and soccer.

He is survived by his wife Mary Ellen (Harrington) Humes; his oldest son Robert Lee Humes II and his wife Patricia and their three daughters Heather, Audrey, and Claire; his son David Harrington and his wife Leslie and their son Austin; his son Steven Lawrie and his partner Jose Paredes; as well as two grand-dogs, Charly and Primo; his in-laws Ann and Jim Lauer and children of Colorado Springs, CO; and his in-laws Margaret and Bob Hazlett and children of Wheeling, WV.

I just found out about Bob's passing and am very saddened and shocked to hear this news. I often regretted not staying in closer touch with Bob over the years as I always enjoyed the times I spent with him. He was a good guy, smart, kind and generous. I remember going to see him play ball and how hard he played. I remember when I was very young and he was in the service, he sent me coins from Europe for my coin collection. I still have those coins! I remember my visit to his home in NY and digging in his yard, I remember him playing piano and yes the accordion too. It was obvious to anyone who knew him that Bob loved life. Please know that I am thinking of you all and send my sincerest sympathy.

My thoughts and prayers are with you, Mary Ellen, and your entire extended family at this saddest of times. I miss Bob and memories of him have dominated my mind all week. Bob was vibrant, enthusiastic, fun loving, optimistic, loyal, and young-at-heart. He touched us all and the entire town of Lewes is grieving his loss. I assumed Bob would be with us for many more years using his talents to help shape our Lewes community. I gave him a tour of the Overfalls Lightship shortly you moved to Lewes. With characteristic enthusiasm Bob wanted to learn about the men who served on the ship and he offered to rewrite the Overfalls shipguide manual so that it would include human interest stories. He wore brightly colored sports jackets. I remember him joyfully riding his scooter around Lewes. Once we drove in his little red convertible sports car with the wind blowing in our hair to Wilmington to meet with the Longwood Foundation about a grant. He thoroughly enjoyed meeting the DuPonts and touring the Hotel DuPont. He was a night owl. If you wanted Bob to attend an Overfalls meeting, the meeting had to be scheduled after 10 a.m. Frequently I'd check my email messages in the morning to find that Bob had written something interesting and provocative after the rest of us had gone to bed. When he was president of the Overfalls Foundation, Bob handled critical events such as locating a proper shipyard for the lightship hull repair and financing its repair. Using his outstanding people skills, Bob worked positively and collaboratively in a team approach to find necessary solutions. He listened and was open to new ideas. Bob was a caring husband, father, and grandfather and would do everything possible to support members of your family. He made it seem easy when son David's family including their infant grandson lived with you in Lewes for a year. Knowing and working with Bob was special for me and I cherish these memories. I am so sorry to hear about Bob passing. He and I go back to Stetson Jr. High School and then Frankford High School in Philadelphia PA. We both played in the Stetson and Frankford bands and orchestra. We sat next to each other at Frankford graduation and we had about 10" of snow that night. We were classmates in the January 1961 class. I lost track of Bob for many years and finally tracked him down in Lewes and we enjoyed our 45th and 50th high school reunions with other classmates. We sang a good program using lyrics Bob put to our high school songs. Bob was a wonderful long time friend. As it is with many friends, there is never enough time to enjoy life together. Cherish all the time together.
