To the Family: I am truly sorry about your family's loss, and I want to offer my condolences. Even though death is a part of life, its not always easy for us to handle and we may sometimes find it difficult to endure, but Gods Word the Bible gives us heartwarming comfort during our times of distress, one scripture in particular that gives much needed comfort is found at Revelation 21:3,4 which in part reads: "And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Your family will be in my prayers, my sincere condolences.
