We are saddened to have just learned of Aunt Sally's passing today via note passed on by Hunt. Our thoughts and prayers & love go out to both the Norton and Jones families during this time of grief and loss. We will always remember Aunt Sally as someone who was so full of life & love, who had a great sense of humor, love of music, flower gardens, and other things of beauty, and who cared deeply for friends and family. She will greatly be missed! All our love.

There are few people that leave a legacy for society. Sally was one. Her seemingly tireless energy in support of the needy and less fortunate was evident both here in NJ and later in DE, both as a professional and volunteer. Sally's strong will, her eschewing of the luxurious lifestyle, her homemaking skills, her sense of humour, and interest in her family all contributed to a rich and full life. I can imagine that she and Beach are again enjoying "a belt" and "a divie" at 5 pm. - Hunt

There are so many great memories spanning decades - from her hosting annual Christmas parties in Mountain Lakes to my numerous visits to Lewes. Above all, Sally spent several years steadfastly tending to my father as his health declined; not an easy task in life. Now she has her rest in complete and eternal peace.
