Dear Jimmy, I had a dream that we went to the racetrack and than to the Mayors Trophy game so I decided to look you up. How heartbreaking to learn you had passed and poor ED also. How devastating for your family to lose two who were so loved. I regret not keeping in touch after your visit to Vegas with Mary Ellen, there were so many times I could have used your advice and strength. Have a happy birthday where ever you are. I'll see you again, first drinks on me and you can explain why there are no bones in ice cream. your friend Eugene.

You don't know what you have until you loose it. I knew Jimmy had a big heart. I knew you could talk to him about anything. I knew he would help just about anybody who needed it. I knew he loved his family. I knew he loved Mom and and went above and beyond in taking care of her. I knew he was strong and always kept going no matter what life put in his way. I never gave it much thought because that was just Jimmy. Now that he's gone I truly know what I had, a big brother. I'm not going to say goodbye Jim I,Il say see you later. T.Z.
