Your mom was an amazing woman...she lit up the room with her one of a kind laugh. My best memories are when we were kids playing at your house of course. She was always in the kitchen with an apron on looking around the corner to see what we were doing. Always making sure I got home safe and sound reminding me to flash the house lights when I got in. I do that today with my own kids friends today. She treated me as if I a daughter. Your mom will always hold a special place in my heart.
