To my big brother who was always there to protect me. We had a lot of good times when we were young. I always remember us dancing in the dining room on Amber St. to Dean Martin, Nancy Sinatra what fun we had and as we grew up and started our own families we still would get together when the kids were little and have some really fun partys. I will forever miss you brother till we meet again may God hold you in the palm of his hand.Love,Barbara xoxo
