Bob, as I scan the images of you into my computer for your memorial, I have to laugh. You were a man for all seasons and all situations. I am glad I had the privilege to spend those last hours with you on this earth. You had a rough journey but did it with great dignity. I hope you heard me say that "I love you." You and Pat and me and Stan had some great times together. I will miss you.

Dear uncle Robert, I have such good memories of you! The ash magic trick had me thrown for years and still makes me laugh. When Nana brought me with her to stay with you the summer I was 9 was the best. I remember walking a path on a mountain and you were ahead of me, I remember looking at you & thinking "I wish I had a dad like him!" I will never forget you and Aunt Pat being so generous to Sophia when she needed help with math and reading (by the way, she made the deans list) I wish I could have called you to tell you that. Thank you for always being you and for the memory of you. Love, your niece, Jennifer
