# Christopher David Brierley

FEB 5, 1973 - JUN 24, 2011

**C**hristopher David Brierley, age 38, died suddenly on Friday, June 24, 2011. Chris lived in Rehoboth Beach, DE with his family.

Chris is survived by his parents; Janice and Donald Brierley, of Rehoboth Beach, his sister and brother-in-law; Jennifer Kline and Wayne Kline, his 3 year old niece, Ellen Katherine Kline, and his 1 year old nephew, Ryan Christopher Kline. Chris is survived by his maternal aunt and uncle; Ginny and Ray Falgowski of Lewes, Delaware, his cousins; Craig, Neil, and Phil Falgowski, his paternal aunts and uncles; William Brierley and Sheila Vance, Melba Hill, Dorothy and Carl Wilson, Jack and Reitha Brierley, Alberta Timko, and Robert and Loreen Brierley.

Chris grew up in Newport, DE on Augustine Street with his parents and "Sis". At an early age, Chris was interested in cars, technology and helping his father with wood-working, repairs and home improvements. Chris was best known for his easy-going, gentle nature. Chris graduated from St. Mark's High School and later Wilmington University. He received his Bachelor's of Science degree in Internet Networking and Design and was working toward his Master's of Science degree in Information Systems Technology.

Chris worked for Verizon Wireless for 14 years and most recently, as a network inventory coordinator. Chris had a talent of technical skills, light-heartedness and a warm personality. He enjoyed spending time with his friends and the warmth of the many long-term friendships he made over the years. Chris had favorite past times and interests - computers, photography, snowboarding, cars and reading.

Chris had a close relationship with his family and enjoyed his young niece and nephew. He appreciated the gift of family, and the security and comfort it brought. Chris had a gentle kindness and was always willing to lend a hand to help others.

Chris had a good sense of humor and sense of "simplicity" that he shared with us. Chris touched our lives in so many ways - he will be missed dearly and his memory cherished always.

to my friend Chris You are always my nephew Just like another son You played with my boys and shared all their toys. As you all grew up, and went your ways, you remained close to us despite some waves. Family always came first, the love we shared. There was never a time that we didn't care. What each was doing, their work, home and play families, repairs, school, rest and stay. Your time here is over. I don't get that one bit. Your smile and laugh I will always miss. I will not grieve long. That makes me too sad. That's not what you would want even for your Dad. Memories I'll hold tight and remember the best. You touched my heart and put my soul to rest. ps Give Dad a pat for me. Aunt Ginny

To Chris' family, I am so very sorry about Chris. He was just a sweet, kind soul! We are Jason's mom and dad. Whenever Chris came over here to see Jason, he just made himself at home, helping himself to whatever he wanted. He loved his Godchild, Nicholas, and also Rebecca and they both loved him and we always so happy to see him. You are in our prayers and thoughts. I have the china cabinet that was my mom's I had given to Chris. He refinished it beautifully and gave it back when he sold his home. Everytime I look at it I think not only of my mom but Chris. God Bless him.

Peace now for you my brother. We have spoken so often would never have guessed there would be this final time so soon. I will not erase your number from my phone in case you figure out how to reach out..and if anyone can it would be you. I will remember you as a go to guy with more solutions for me than most. Do not want to end this memory and glad your passing was a simple and painless as it seems. I am glad to have known you and will miss your soft laugh and gentle ways. Never will I let another soil these memories and can only speak of you with the kindest of words. Goodbye my friend.

I've been trying to find the right words to say at this moment, but they escape me. Chris was a huge part of my life and I am grateful for the memories I have. To his parents, I know you were his heroes and his role models. He loved you both more than words can ever express. Jen, Wayne and Kids, The last thing he ever said to me was how much he loved all of you and how grateful he was to be a brother and an uncle. He never took any of those titles for granted. I know nothing I say can help ease the pain we all feel but knowing heaven has an amazing angel watching over us gives me some peace. Christopher, you are missed by me and so many others. Till we see you again?.
