So sorry to hear that Bud has left us. Sure wish we could've had more time to visit. I feel that he is in a better place. I'm just not sure that they have his favorite TV shows there. Anyway we loved him dearly.

Uncle Bud was an awesome Uncle. I can remember the days he took me fishing over the summers and the day he let me build my first tool box. The days of eating UTZ potato chips during the football games and those blue shell crabs. He will be truly missed. I love you Uncle Bud. Jamie
