life is not the same...it's very quiet...i don't have my friend to tease about our ages and music..I'll miss hearing about your family...I'll miss your smiling face...and someone who didn't complain about how they felt and i know there were days when you really didn't feel good...i will definitely miss hearing your stories about the old days ...now you are with all our old friends...i hope there is room at the bar for you...of course we all know you will make room..just remember to save me a bar stool so we can continue to tease each other and play bar bingo and listen to you sing the OLD songs that i don't know or remember
