God sees when the footsteps all falter, when the pathway has grown too steep. Then he touches the weary eyelids and gives his dear ones sleep and this is what he did for you. You are with Mom Mom and Graddaddy and all the ones that you have loved that have passed before you and it is a comfort to us. We love and miss you.

Inez, I have missed you ever since July 2010. I wanted to come by to see you but knew that it was impossible. I missed the laughter of your voice. I have never forgotten you and never will. They made us part but I always thought of you. The memories I have with you will always be here with me. You are with God now and I can rest because I know he is taking good care of you now. And yes Inez, I will do that for you. I love you and will forever miss you. Grace
