From the time of childhood up through his teenage years and early 20's, my youngest brother Cesar and Courtney were best friends. The Riordans knew our family well...my two brothers and I all went to the same school that Courtney did -- Westminster School. Life went on and drew us all apart. I had no idea that Courtney was living in Delaware. It's sad to hear that he has passed away at too young an age. He had a good sense of humor as a kid and he will be sorely missed. Your family is in my prayers.Sincerely,Manuel F. Nunez

To the Riordan Family, I was incredibly saddened by the news of Courtney's passing. He was like a brother to me and some of my best memories in life were times when we were hanging out together and keeping you all awake into the wee hours of the morning. I will deeply miss Courtney. He was a great person, and a great friend. Friends like Courtney are few in life and it is with a heavy heart that I also grieve with your loss. I am so sorry I am unable to make the memorial service, but my sincere thoughts and prayers are with you today and always. Sincerely, David Nelson

Dear Riordan Family, I send my deepest sympathies to you! Courtney was a very special person who was like another son in our family for several years as he and Billy grew. I remember the way he could spread love and good humor to all of us whenever we were together. We all loved Courtney!! He travelled with us to Georgia for my Mother's birthday and went with us to the State Fair and the Renaissance Festival to celebrate other birthdays. Courtney will always be with us in our memories and I know he will be greatly missed here on earth.
