Dear Catherine, my condolences to you and your family on the loss of Donald. I don't believe I ever met him, but after reading his biography, I know that I would have liked to be in his company. My thoughts and prayers are with you. If you care to, please write and let me know how things are going. I remember fondly, the nice times we had with your family as we were growing up. I found out about Donald's death from Joni Green Gullett, a classmate of mine. Your Uncle, Herb
