Lynn was always a presence at the fire conventions and in everything she did. I got to know her through Paula whom I worked with since 1997, I enjoyed being around her, learning from her and watch how she gave unselfishly of her self. She will be missed. Pop Dill, we shot a deer for you...we missed you during deer hunting but understood where your heart needed to be. We love you, Dee & Michelle Vickers

Lynn was one of my earliest recollections from my childhood. We Moved to Rehoboth in 1965, and Lynn lived a few houses down on Christian street. I remember going there as a small child.She was one of those people who you were always glad to see. Regardless of how long it had been, it seems like you had just seen her yesterday.As she was like everyone's mom, she will be sadly missed.My thoughts and prayers go out to her family.
