To Kevin's Family: What can we say--he was a very special person to us. So many memories of tv's, video games, basketball, chicken and dumplings dinners, our son's best friend and college roommate for life. We will never understand why he was taken so young--it's just so hard. Hopefully each day will become a little easier for us all. May it be of comfort to know how wonderful, kind, and talented young man he was. Our prayers and thoughts will always be with you.
