Bill Brant was my childhood friend. He was both intelligent and humorous -- we spent endless hours together as teenagers on bicycles, toboggans, and golf carts. I have many fond memories of him and his entire family (and his beloved canines). Growing up in Franklin Park (Pittsburgh PA) was simply enchanting and I cannot think of home without thinking of Bill.

I'm so sad to hear of Bill's passing. I knew him as 'Billy' many years ago, in elementary, middle and high school. Billy was one of the good guys. He had a happy heart and was a friend to everyone. I hadn't seen him since graduation, but I am especially missing him now. My condolences to his family and friends.

I was saddened to learn of Bill's death when I returned to Rehoboth Beach. We often chatted when we would encounter one another during his brief time here in Delaware. It was always a pleasure; I wish we had more time. I pray that he has found peace.
