This was one of the nicest people i ever met. She was the first person i ever met that didn't care who you were. It just didn't matter with her. She made me feel like anyone else. She was really something. I always had so much respect for her. Thank You Lois! What a loss.

I am Anna and Rudy's daughter-they were in the breakfast group that Lois and Frank ate with many a morning at Friendly's. I met them both many times while visiting with my parents. My mother and I would like to offer our sincere condolences. Lois was a lovely person.

It is with deep sympathy we are sending this message to the Menzel family. We had the pleasure to get to know Mrs. Menzel back in the late 70's in Pt. Pleasant, she opened her door to all of us "crazy" teens. We value our friendship with her son Franklin. God Bless, Eileen&Jim Mooney and Family
