Hi Mom, Where do I start? For now I just want to say I love you and thank you for all of your love and never ending support of me. It truly never ended, did it? I will miss our shopping trips and laughing over the many silly things Daddy does (the porch screen). This is the first of my series of letters. Just get used to it. Love, Stephe

Nanny was the rare person you meet in this life who seems to be made purely of kindness. Though we lost regular touch, I'll always remember her as a force of good in the world, which was richer for her having lived in it. May she rest in peace.

We didn't really know Valerie very well, except when she came to see Mark & Charlene & the children when they were living with Charlene's parents in Baltimore. We could tell, however, that she adored those grandchildren. I'm sure while she is gone physically, she will be with everyone in spirit. Her memory will carry on for many years to come. God Bless!
