Dear Gladys and family, We send our heartfelt condolences on the loss of your husband, father and grandfather, Mitt Rosander. We remember Mitt and all of you as the best neighbors we ever had in Berwyn. We appreciated Mitt dropping in for short visits and regaling us with good stories. In more recent years some of us were able to renew old times by visiting Gladys and Mitt at Rehoboth Beach. Esther and Augie enjoyed the local pizza lunches together. About 3 years ago Martha and Shiu visited. When Martha heard Mr. Rosander's sonorous voice, she recalled the pleasant memories of our families living side by side in Berwyn. We shall miss Mitt and we send you all our love. We will stay in touch. Esther, Martha and the Sardinias family

Dad, when I think of you I will most remember your love for cars, you taught me how to take apart anything mechanical, fix what was broken, put it back together and not have any pieces left over. You where a great Dad to me and an awesome Grandfather to my kids. You are loved and will always be remembered.

Pop pop, While this is a sad time, I'm glad you are not in pain anymore. I remember the talks we had even though they were not often due to the distance we lived from each other. I thank you for raising my Dad the way you did, which has also been put on me and has helped me to succeed in life. I feel blessed to have such a good father and I know the upbringing you gave him has a lot to do with it. I also thank you for supporting me when I was overseas and I thank you for your service to our country. I was also discharged as a Sergeant, we are called the "backbone of the Army", but you were the backbone of your family also. We all miss you very much and won't forget what you have left.
