Was saddened to hear of the passing of Mr. Jiuliano. I worked with him in early 1980's at C&P in Wheaton, Md, he was a PBX Engineer and I had just started with C&P out of high school as a typist/administration. Mr. Jiuliano was such a kind and funny person who enjoyed smoking his pipe (in a time where that was still allowed in the office). Always had wonderful conversations with him and thought of him often over the years. My condolences to the Jiuliano family.
