My condolences to the family for your loss. Ed was my first "Elmer" during my quest to become a ham radio operator when I met him in 1969. I am still a ham radio operator. He was never too busy to help in explaining things about his favorite hobby. It was an honor to have known him.

To the friends and family of Edward, I am so sorry to hear of the loss of your loved one. We know that death is something that plagues mankind of all races and ages, but we can draw comfort and hope from the scripture found at Isaiah 25:8 that speaks of how God will in the future swallow up our enemy death forever.
