My life was enriched by knowing George through various church committees and activities. He never failed to bring a smile or a laugh. I have such fond memories of George and Jane through our times together in Cursillo, pot luck dinners, the Art Show and Christmas tour luncheons. I have an apron that George presented to all of us ladies in the kitchen one year. Your parents were especially kind to me when I lost my son. You all were blessed to have such special parents and many of us were blessed that you shared them with us. My deepest sympathy, Midge
