Ken, I know you were my uncle but you were more like my best friend we went to the beach and just plain had fun. But I know you were called on to make God laugh so please don't take over up there like you did down here.

Sad news. Lost much contact with Kenny and everyone else in Philly after my move to California. Shame for their daughter, losing a parent.

I just wish I would have kept more in contact with him after I moved from Philly. I idolized him growing up as he was closer to my age. I looked up to him and I am really going to miss him. I love you Uncle Ken and may you Rest In Peace! Tell Grandmom and Grandpop I love them.
