Dear Warren and family, Please accept my prayers and remembrance of Donna. I feel a special tie to her because my mom was a telephone operator for a good part of her life, retiring from the C&P Telephone Company in Baltimore. Not an easy job! I regret being so out of touch lately, although I have been missing you at the old hang out, even though I haven't been there much myself, maybe only Fridays. Maybe we can have coffee when things settle. Sometimes it's just a day at a time!
