I am so saddened by the news that "Charlie" has passed away. I have thought of him often over the years and even tried to connect with him recently through Facebook. Even though it's been 47 years since I've seen him, this picture, with the sparkle in his eyes sure captures the personality and gentleness I remember from High School. Thomas, I am so glad that Charlie found a loving partner in you and I'm sure that your 40 years together were very happy ones. My and my husband's condolences to you, his friends and his family.
