Roger, I am sorry it took me so long to post my sympathy however, I really wanted to think about what I would like to say to you about Jane. After much reflection, I guess the best thing I can say is I am really sorry I did not get to know her better. I think Jane & I would have become good and fast friends. She sounds as though she loved life & thrived on enjoying the people she loved. With much regret I pass to you my heart felt sympathy on your great loss. Please keep in mind Wayne & myself are thinking of you. I hope that you and I can get to know each other better. I look forward to spending more time in your company. Sincerely, Natalee

You will be always in my heart and soul. I will always cherish are times together. I can remember the two of us teasing each other about your cowboys and my eagles. It was great the night you and I went to see them play each other. Although we lost you got soaking wet but what a wonderful time we had. All the holidays were always so special with you being there. You will always be in my heart until we meet again in our next life. God Bless you MOM and I LOVE YOU.
