A poem For Anthony and Family
Should you go first and I remain to walk the road alone, I'll live in memory's garden dear, with happy days we've known. In spring I'll wait for roses red, then fades of lilac blue, In early fall when brown leaves fall I'll catch a glimpse of you. Should you go first and I remain for battles to be fought. Each thing you've touched along the way will be a hallowed spot. I'll hear your voice, I'll see your smile though blindly I may grope, the memory of your helping hand will buoy me up with hope. Should you go first and I remain to finish with the scroll, No lengthening shadows shall creep in to make this life seem dull. We've known so much happiness we've had our cup of joy, and memory is one gift of God that death cannot destroy.

Dear Christine, WE would like to send our heart felt sympathies to you and your family. It seems like only yesterday, before you were born, that we all were hanging out and taking off for the beach together. For a short time your dad was part of our family and we thought of him as family. No matter what we always liked your father. He was funny. One of the best things he ever did was making you! We love you Baby! Forever In Our Hearts! The Walls Family Uncle Frank, Aunt Lisa, Bug, Mark, Tommy and Jessica
