You touched my life and I will always remember you fondly. Always thought we had some kind of bond between us and I appreciated all of your guidance and encouragement and great sense of humor. You always managed to keep in touch with everyone and I think you truly enjoyed your life on earth. I will greatly miss you. Heaven just became a little brighter but my heart feels very sad. I will miss all of your e-mail jokes. I'm glad I spent New Year's Eve with you and saw you dancing. It's my last memory of you and it's a good one to have and hold dear.

Mom, you have been the bright spot in my days, the light of my life, my very best friend. I know you are still with me in spirit, but I miss hugging you and hearing your voice so very much. I love you dearly, Mom, with all of my heart. I can't wait to see you again, we will jitterbug, stroll and cha cha, and Elvis and Jerry Lee will be playing live. Hugs, kisses and love to you, my sweet Mom. You gave me life, you raised your little baby, to grow up to be a lady, thank you Mom, I love you always.
