This is Tom from Strip Search. I am so sorry. I never met anyone who could light up a room like Megan. She was one of a kind. I wish I could have attended but I was on a cross country motorcycle trip and in Nebraska at the time. It seems like yesterday we were playing at her wedding. I still cherish the Laid from the wedding. I know it's November but I just found this site so I wanted to pay my respects and let you know I pray for her and all of you. Tom
