Jack was my best friend of whom I will miss immensely. He had the quickest mind of anyone I know, always ready with a witty comment or answer. Things will never be the same without him here. I want to publicly thank everyone for their kind thoughts and words. Rob

Jack was my neighbor at Spring Lake in Rehoboth for many years. I was always amazed at his prolific knowledge of politics and world events. He was sorely missed when he moved from there and obviously is greatly missed now. My thoughts go out to Rob and the rest of Jack's family. Kim
