Wonderful memories of great Superbowl parties at Sandy's house. Remember one Superbowl party that ended up being an overnight party because of a snowstorm. Sandy was a wonderful person with a very big heart. Loving mother and grandmother. Prayers to her family.

Sandy always opened her house to students and staff. She had a Christmas party for staff at her home that everyone enjoyed. She had a group of students come to her house, crab and then come back to eat lunch. Sandy loved her family very much! I know you have many wonderful memories!

My cousin, Sandy was a big part of my life as I was growing up. She helped to raise me along with her Mom and Dad, my Uncle Martin and Aunt Margaret when I was a toddler. Since she was 10 years older than me, I actually thought she was my Aunt and called her Aunt Sandy for the longest time. She was always very kind and I remember our times together fondly. I regret not being in her life as I became an adult and pray that someday I see her again. Much love to her family and all her friends back home in Delaware. I am sorry that I will not be able to attend her services, but will be thinking of her and her family. Much love!
