My Final Gift

Obituary

Daniel Andrew Daisey

JUN 9, 1989 - JUN 9, 2015

It is now time for me to move on

Into the dusk, but also the dawn.

I will remain as the morning comes

As I've left behind a gift for someone.

So another may walk, may talk, may see,

Where their life was locked,

I offered a key.

I am a donor to someone in need.

My final gift, my final deed.

I love you both and I am so sorry for your loss. There are no right words to say...and it's not fair that he had to leave this world because he was needed more in Heaven. You are both amazing parents and I'm sure he felt the same way. You raised an amazing person that touched many hearts and he will continue to do so. You are in my thoughts and prayers and I do hope you can find some comfort in knowing that you gave him a good life and he in turn got his education and chose a line of work in which he could then help others. He was already an angel.
