I want to express my sincere sympathy for the loss of your loved one and share the hope promised in the Bible. Jesus promised that "those in the memorial tombs will...come out." (John 5:28, 29) In harmony with God's original purpose, those resurrected as humans will have the opportunity to live on a paradise earth. (Luke 23:43) This promised future includes perfect health and everlasting life for obedient humans. The Bible says: "The righteous themselves will possess the earth, and they will reside forever upon it." (Psalms 37:29)
