**Roger Jennings** posted:

Some people come into our lives and quickly go. They awaken us to a new understanding with the passing whisper of their wisdom. They stay in our lives for awhile and leave footprints on our hearts and we are never ever the same. Wayne was a breath of fresh air and reality check for me with our communication. God Speed Cajun you surely " have fought the good fight, you finished the course, you have kept the faith - well done my good and faithful son."
