Michael Edward Fuddy

JAN 20, 1963 - JAN 20, 2015

Michael Edward Fuddy, age 52, of Bridgeville, DE, passed away on Tuesday, January 20, 2015 at his home, after a courageous battle with cancer. He was born in Wilmington, DE on August 3, 1962, son of Curtis S. Fuddy (and his wife Lynn).

Mr. Fuddy graduated from Delcastle Technical High School in 1980. After his graduation, he proudly served in the United States Navy from 1980 to 1984. Following his honorable discharge, Mr. Fuddy embarked on a banking career with Bank of America, where he retired as Vice President.

Mr. Fuddy was a charitable man and enjoyed volunteering. He devoted much of his time raising funds for The Ronald McDonald House of Delaware. He was a mentor for the athletes involved in Special Olympics, a role in which he was very proud. Mr. Fuddy was a member and past President of Toast Masters International. He was also a member of the American Legion Post 8 in Georgetown, DE, as he took great pride in having served in the United States Navy.

Mr. Fuddy was skilled in precision target practice and enjoyed being a member of J.D. Defense. He was an avid golfer, who enjoyed spending his Saturday's playing a round of golf with his father. Above all else, Mr. Fuddy's happiest moments were spending time with his family. He will be remembered as a gentle soul with a brilliant mind. Mr. Fuddy had a heart of gold, always willing to lend a hand to anyone in his path who may be in need. He was a man with a sense of humor that would make even the devil himself laugh. His sense of humor was present up to his passing. He accomplished much in his professional life but his biggest accomplishment was his family whom he loved immensely. He will be sorely missed by the love of his life, Shelly.

Mr. Fuddy was preceded in death by his beloved Pop Pop and Mom Mom Fuddy. He is survived by his beautiful bride and soul mate Shelly (Misch) Fuddy; three children: Tara, Amanda and Michael, II; two grandsons: Alex and Kyle; special aunt, Arleen Higgins and her husband Ray and many other family members.

I just found out today of Mike's passing. I can't believe he is gone. I worked with Mike at MBNA. It wasn't until I was laid off that we really became friends. I found his LayoffRX site and he proceeded to re-write my resume and help me find a job. He was ALWAYS willing to help no matter what was going on in his life. He was such a good friend to me I can only imagine how great he was to his family. I am truly sorry for your loss. Words can not truly describe the magnitude of this loss. Mike, if only I can be half the man you were I would be in great shape. God bless you and your family.

Mr. Futtty was a friend in the business, a mentor, and a technical advisor whenever needed at BAC. Mike Futtty served as my manager during MBNA days. I remember many great life stories we shared. Mike was like a family member because he was consistently warm, friendly and supportive, even when he was busy. Mike could always add you in as another thread to his multiprocessing. Remarkable. Irreplaceable! My prayers are with the family as you celebrate Mike's life in his absence. Much Love, David Ings

I am deeply saddened to hear the news of Mike's passing.I had the pleasure of working with Mike on a large and often times intense IT project, a couple years back.Mike always maintained an admirable level of professionalism during the stressful moments of our probject and kept the energy light with his "Futtlyisms". Whether it was his cat he so endearingly called "Psycho" joining in on our conference calls, or his temporary "Cranial Flatulence", Mike kept us all engaged and in good spirits.If he was able to charm a work team without ever meeting face-to-face, I can only imagine the immeasurable impact he had on his loved ones.I offer my deep condolences to his family friends. May the memories of Mike warm your hearts through this difficult time.

Little did I know that a loved one passed away on Tuesday when I shared this posting to my page. It is sad and most difficult to lose someone that you love. It is one of the hardest events to wrap your head around because the loss leaves a void an unmistakable hole in your heart. You feel hollow, you feel numb, you feel like you are going through the motions and yet you are far removed from the event. It cannot be real it cannot be true and yet it is. Calling to mind the funny comments and quirks of the one that has passed bring pleasure and pain simultaneously. You laugh until tears squirt from your eyes and you feel like you are doing something morally wrong by laughing during this most grievous time and yet you can't help but laugh at those good times. I think truly our loved ones will want us to laugh and celebrate their life. The goodness that they brought to this life and showered on everyone with generosity. I will always remember my cousin Michael as generous, kind, loving and funny. He always had a kind word and thought the best of people. His light went out too soon. He will be missed. I will remember him and honor him by recalling all those fun times at the beach when we were kids and the times we spent together all grown up with families of our own! Say Hello to Mom-Mom and Eddie!
